Piggybanks in the Park BOOK TOUR - Sacramento

Who: Stacey Powell of the Finance Gym.

What: The Piggybanks in the Park 36-city book tour is kicking off this summer at local parks across the Sacramento region. Piggybanks in the Park is about changing the way people think about their finances and what better way than to gather in the outdoors? We'll be meeting at local parks across the nation to challenge people to make the changes in their lives that they've always aspired to, but haven't gotten around to yet. Stacey Powell is a financial expert who is passionate about helping people meet their financial goals by teaching, asking thought-provoking questions and inspiring action. Simply put, our goal is to change peoples lives by helping them to improve their finances.
